CORNELL TECH
MakerLAB

MakerLAB AI

AI to help operate, fix and build in makerspaces.

Every answer cites the manual page. Ask about any machine in the Cornell Tech MakerLAB.

OPERATE

Ask how to run any machine in our lab, step by step.

TRY ASKING

“How do I load filament on the Prusa i3 MK3S+?”

FIX

Something went wrong? Find out what to check.

TRY ASKING

“Why won’t my Form 4 print stick?”

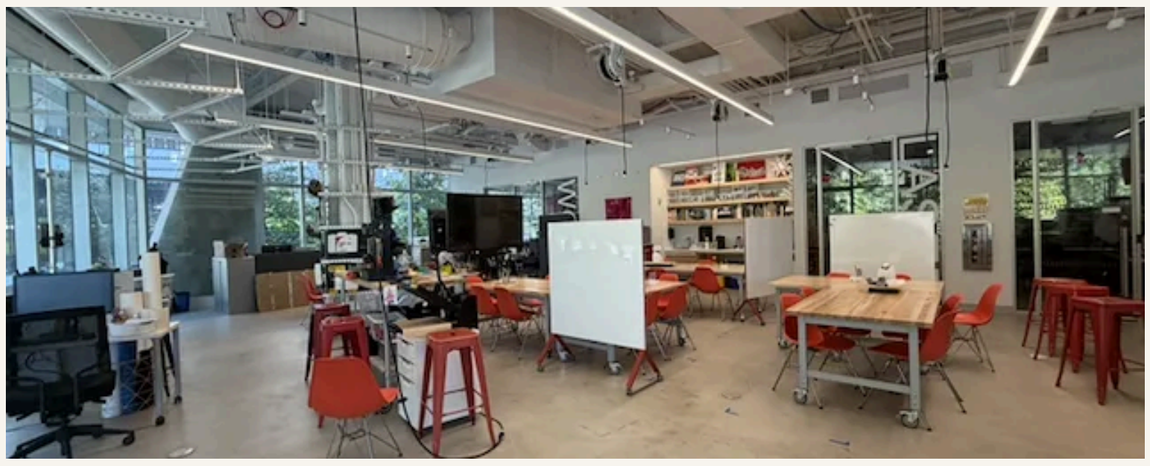

BUILD

Plan a project with the tools the lab has.

TRY ASKING

“Which machines could I use to make a lamp?”

TRY IT NOW

Ask about any machine in the lab.

Every answer cites the manual page.
